

EEE2019 Calls for Papers (www.eee2019.org)

Welcome to EEE2019

2019 2nd International Conference on Electrical and Electronic Engineering (EEE2019) will be held in **Hangzhou, China** during **May 26-27, 2019**.

EEE2019 will give you a chance to present research results and communicate with the experts and scholars from all over the world in the field of Electrical and Electronic Engineering. It is a professional platform for the researchers to explore the knowledge and development of Electrical and Electronic Engineering.

Publication

All accepted papers will be published by Atlantis Press on ***Advances in Intelligent Systems Research (ISSN: 1951-6851)***, which will be submitted for indexing by **EI Compendex, CPCI-S (formerly called ISTEP), Scholar Google and CNKI**. EEE2019 will also be online available in full text via the press platform.

Excellent papers will be selected and published on SCI and EI journals.

Call for papers

Topics of interest (not limited to): Electrical Engineering; Electronics Engineering; Control and Automation; Wireless Communications and Networks; Computer Science; Information Processing and Other Related Topics

Join EEE2019

Including contribute your work to this conference, you can also choose the 4 options below:

1. Join EEE as Author:

Giving oral/poster presentation on EEE2019 with publishing your paper in the proceedings. Please submit your full English papers to cfp@eee2019.org.

2. Join EEE as Listener:

Without submitting paper or giving presentation, you also can attend EEE2019 as Listener. Please email to cfp@eee2019.org for more details.

3. Join EEE as Keynote Speaker:

If you are interested in being a Keynote Speaker, to share your ideas in the fields of Electrical and Electronic Engineering, please send your CV to eee2019cfp@163.com.

4. Join EEE as TPC/Reviewer:

If you are interested in, please send your latest CV to eee2019cfp@163.com.
